CORPORATE SPONSORSHIP

THE FOUNDATION

The Tom Youngs Foundation is a community-based charity created to celebrate the life and legacy of Tom Youngs. Our mission is to support people affected by bowel and liver cancer and multiple sclerosis, and to open doors for young aspiring footballers and musicians through bursaries and community support.

Guided by Tom's values – compassion, determination, humility, and connection – the Foundation brings people together to make a meaningful difference. Through fundraising events, charitable partnerships, and youth bursaries, we help provide care, opportunity, and hope to individuals and families when they need it most.

WHAT WE DO

The **Tom Youngs Foundation** exists to carry forward Tom's values of kindness, courage, and opportunity. Through fundraising events, health support, bursaries, and community partnerships, we aim to make a meaningful difference to people facing serious illness and to young individuals striving to reach their potential.

Our work reflects what mattered most to Tom: supporting others, creating chances, and building a community that cares.

GET INVOLVED

If your organisation selects a **Charity of the Year**, we would be honoured to be considered. We also offer tailored corporate sponsorship packages for key events.

We welcome strategic partnerships with businesses that share our commitment to supporting vulnerable members of our community.

Sponsoring specific events or partnering with us enables your organisation to make a meaningful and lasting impact.

A WALK FOR TOM

Our inaugural fundraising event, **A Walk for Tom**, will take place on **Friday 3rd April 2026**. Supporters will complete a sponsored walk from **Mildenhall Football Club** to **Cambridge United Football Club**, honouring Tom's legacy while raising vital funds to support families navigating complex challenges.

To help maximise the impact of this event, we are offering a limited number of corporate sponsorship packages. These packages provide organisations with a meaningful opportunity to align with our mission and support the community we serve.
